Ambitious designer seeking to utilize skills in brand development pertaining to identity systems and marketing collateral or web design and digital advertising.

Experience

BRANDING SPECIALIST

Momentum Telecom
Greater Philadelphia Area
July 2016 – October 2017

As a graphic and web designer, it was my responsibility to brand collateral, aid in managing the company CMS, design digital advertisements, brand new products/services, code landing pages, and create a look and feel that represents the company's mission.

GRAPHIC/WEB/UI DESIGNER

DayGot
Willow Grove, PA
September 2015 – July 2016

Managed/designed the company website and worked with developers to create and style mobile apps. Helped code a website portal where restaurants can update their menus as they appear on their apps (CSS and HTML). Also designed branding and print materials.

FREELANCE GRAPHIC/WEB

Suzanne Evans Coaching
Murrells Inlet, SC
June 2015 – August 2015

Managed the company CMS, created branded print materials, designed web graphics, produced welcome mailers, and built landing pages.

DOCUMENTATION ANALYST

Intern at W.L. Gore and Associates
Elkton, MD
June 2013 – August 2013

ARIS Enterprise System Modeler supporting WL Gore IT Governance - Used ARIS to generate enterprise architecture diagrams that are utilized by WL Gore operations for server and application support. (ARIS, Excel, Word, Sametime, phone conferencing)

Education

York College of Pennsylvania

Graphic Design: 3.42 GPA
2011 – 2015

Received a BA in Graphic Design and minored in Illustration.

I am also a self-taught front-end Web Designer

HubSpot Certifications

Inbound ('15), Design ('17), Growth Driven Design Agency ('17)
